

Sunrise PTA Membership

What is the PTA? PTA stands for Parent Teacher Association. Sunrise PTA is a local chapter of the Washington State PTA, a long-standing volunteer and advocacy organization.

Who should join PTA? Anyone! Parents, teachers, staff, extended family, community members.

How much time do I have to volunteer? NONE! There is no requirement to volunteer. Your membership is important to strengthen our voice at the local, state and national level when advocating for practices, policy and law that are best for children.

Why should I join PTA?

- Your voice matters.** First and foremost, membership in the PTA means that your voice is counted on important state and federal issues regarding school and children.
- Create a community.** The PTA creates community with monthly meetings, regular family fun events, multicultural programming, and more.
- Support students at Sunrise.** The PTA fundraisers support important student-centered initiatives like books for the library, art programming, and teacher-requested classroom supplies.

Meetings are the 2 nd Thursday of each month, in person and online. All are welcome.	PTA Members receive a number of discounts and benefits provided by businesses.
